If project includes additional phases, please include that information in the attachment(s).

- I understand that the ACC's approval must be obtained before I can proceed with my project.
- I understand that the SOA's approval does not constitute approval by Park County and that I may be required to obtain a building permit directly from Park County.
- I agree to begin the improvements to my lot(s) promptly after receiving approval from the SOA.
- I understand that I must have a waiver signed by the contractor and the homeowner (or lot owner(s) if vacant land) before this Request For Approval is approved.
